

LANCASTER COUNTY
**SUICIDE
PREVENTION
COALITION**

Vision: A community free of the stigma associated with suicide and mental illness that is supportive of all those affected by suicide.

Mission: Partnering to create a responsive, compassionate community and to eliminate suicide through education, advocacy and support.

Education & Awareness Committee: Toward our vision of community free of the stigma associated with suicide and mental illness, an Education and Awareness Committee is formed to provide education and advocacy within the greater Lancaster community.

Education & Awareness Committee Tasks 2015-2017:

Support education and awareness initiatives to prevent suicides

1. Maintain list of suicide prevention resources, and providing this information to MHALC's Marketing Coordinator to keep website and print materials up-to-date.
2. Identify target segments (by age, culture, geo area) and appropriate messages and messengers.
3. Provide QPR Trainings to the general public.
4. Provide event for suicide attempt survivors in May to coincide with Mental Health Month.
5. Develop content for general use.
